

PSL Print Management Limited **Environmental Policy**

PSL Print Management Ltd recognises that the work we carry out will have an impact the environment.

Through careful planning and on-site management and supervision we believe we can ensure the impact on the environment is kept to an absolute minimum.

Policy Principles

The company is committed to applying the following principles to all our site activities:

- Establishing clearly identified objectives and targets that address the environmental issues relevant to the company's operations to ensure continual improvement in environmental performance.
- Complying with all relevant environmental legal requirements and any other compliance obligations we may identify
- Protecting the Environment
- Preventing pollution and ensuring that we recycle our waste and materials wherever reasonably practical.
- Ensuring environmental issues are considered when planning and executing projects to minimise adverse impacts and improve environmental performance.
- Responding to valid concerns of our neighbours, and those who we affect during our projects.
- Establishing and maintaining effective management systems to control identified risks.
- Providing support, information and training to employees with respect to environmental matters.
- Being prepared for environmental incidents or emergencies.
- Monitoring, auditing, reviewing reporting, and continually improving our environmental management system and our environmental performance.

Where practicable ensure our suppliers have a sustainable approach, good ethical best practices where practicable.
